9.13.160 Administrative Penalties—Appeals.

A. This chapter authorizes the imposition of administrative fines on any person who violates any provision of this chapter in order to encourage and obtain compliance with the provisions of this chapter for the benefit and protection of the citizens of the City of Lodi. This chapter governs the imposition, enforcement, collection, and administrative

review of all administrative fines, related to: the possession, use, storage, sale and/or display of those fireworks classified as “dangerous fireworks” in California Health and Safety Code Section 12500, et seq., with the exception of a pyrotechnic licensee when operating pursuant to that license; and the use of “safe and sane fireworks” as defined in California Health and Safety Code Section 12500 et seq. on or at dates, times and/or locations other than those permitted by this chapter. Said administrative fines are imposed under authority of Government Code Section 53069.4, Health and Safety Code Section 12557, and the police power of the City of Lodi.

B. The issuance of citations imposing administrative fines may be performed at the discretion of the officials of the City of Lodi; and the issuance of a citation to any person constitutes but one remedy of the city to redress violations of this chapter by any person. By adopting this chapter, the city does not intend to limit its authority to employ any other remedy, civil or criminal, to redress any violation of this chapter by any person, which this city may otherwise pursue.

C. The imposition of fines related to “dangerous fireworks” under this chapter shall be limited to persons who possess, sell, use and/or display, or the seizure of, 25 pounds or less (gross weight) of such dangerous fireworks.

D. Fines collected pursuant to this chapter related to “dangerous fireworks” shall not be subject to Health and Safety Code Section 12706, which section provides that certain fines collected by a court of the state be deposited with, and disbursed by, the County Treasurer. However, the city shall provide cost reimbursement to the State Fire Marshal pursuant to regulations to be adopted by the State Fire Marshal addressing the State Fire Marshal’s cost for the transportation and disposal of “dangerous fireworks” seized by the city, which costs will be part of any administrative fine imposed. Unless and until said regulations have been adopted by the State of California, the city shall hold in trust \$250 or 25% of any fine collected, whichever is greater, to cover the cost reimbursement to the State Fire Marshal for said cost of transportation and disposal of the “dangerous fireworks.”

E. Because of the serious threat of fire or injury posed by the use of “dangerous fireworks” that can result from persistent or repeated failures to comply with the provisions of this chapter and the effect of such conditions or activities on the safety and the use and enjoyment of surrounding properties and to the public health, safety, and welfare, this chapter imposes strict civil liability upon the owners of real property for all violations of this chapter existing on their real property. Each contiguous use, display, and/or possession shall constitute a separate violation and shall be subject to a separate administrative fine.

9.13.170 Issuance of Administrative Citation—Contents.

A. Whenever a Code Enforcement Officer (CEO) determines that a violation of the code has occurred, the CEO may issue an administrative citation on a city-approved form listing the code violation(s) and the amount of the administrative fine required to be paid by the responsible person(s) in accordance with the provisions of this chapter.

B. Each administrative citation shall contain the following information:

- a. The name, mailing address, date of birth, CDL number (if available), and home or business telephone number of the responsible person charged with any violation of this chapter;
- b. The address or description of the location of the violation;
- c. The date or dates on which the person violated this chapter;
- d. The section or sections of this chapter that were violated;
- e. A description of the violation(s);
- f. The amount of the administrative fine for each violation, the procedure in place to pay the fines, and any late fee and interest charge(s), if not timely paid, and notice that if the city is required to take action to collect such fines, the responsible person may be charged costs and attorney's fees;
- g. Notice of the procedure to request an administrative hearing to contest the citation (including the form to be used, how to obtain the form, and the period within which the request must be made in order for it to be considered timely);
- h. The names, addresses, and telephone numbers of any witnesses to the violation(s);
- i. The name and signature of the CEO who issued the citation and the name and signature of the citee, if he or she is physically present and will sign the citation at the time of its issuance. The failure or refusal of a citee to sign a citation or provide the information required on the citation, shall not affect its validity or any related subsequent proceedings, nor shall signing a citation constitute an admission that a person is responsible for a violation of this chapter;
- j. Any other information deemed necessary by the director for enforcement or collection purposes.

9.13.180 Administrative Fines.

Number of offense in 1 year period	Amount of Administrative Penalty	Late Charge	Total Amount of Penalty plus Late Charge
First	\$ 1,000	\$ 250	\$ 1,250
Second	\$2,000	\$ 500	\$2,500
Third	\$3,000	\$1,000	\$4,000

Number of offense in 1 year period	Amount of Administrative Penalty	Late Charge	Total Amount of Penalty plus Late Charge
First	\$250	\$ 75	\$ 325
Second	\$500	\$150	\$ 650
Third	\$750	\$300	\$ 1,050

C. In the case of a violation of any of the provisions listed above, the administrative fine(s) shall be due and payable within 30 calendar days from the issuance of the administrative fine citation, and the citee shall be required to abate the violation, and surrender all dangerous fireworks to the CEO, immediately. For penalties not paid in full within that time, a late charge in the amount set forth above is hereby imposed and must be paid to the city by the citee. Fines not paid within the time established by this section shall accrue interest at the prevailing established rate. On the second and each subsequent time that a person is issued a citation for the same violation in any 12-month period, the fine is increased as indicated above and the citee shall be liable for the amount of the new fine until it is paid, in addition to being responsible for payment of previous fines.

D. **All** administrative fines and any late charges and interest due shall be paid to the city at such a location or address as stated on the citation, or as may otherwise be designated by the City Manager. Payment of any fine or fines shall not excuse the citee from complying with the provision of this chapter so violated. The issuance of the citation and/or payment of any fine shall not bar the city from employing any other enforcement action or remedy to obtain compliance with the provisions of the code so violated including the issuance of additional citations and/or criminal prosecution.

E. Upon confirmation of the citation or when the citation is deemed confirmed, all unpaid administrative fines, late fees, and/or interest shall constitute a judgment which may be collected in any manner allowed by law for collection of judgments including but not limited to recordation to create a lien on any real property owned by the responsible person. The city shall be entitled to recover its attorney's fees and costs incurred in collecting any administrative fines, late charges, and/or interest.

F. Payment of the administrative fine shall not excuse or discharge a citee from the duty to immediately abate and correct a violation of this chapter, nor from any other responsibility or legal consequences for a continuation or a repeated occurrence(s) of a violation of this chapter.

9.13.190 Right to an Administrative Hearing.

A. Any citee may contest the violation(s), or that he or she is a responsible person, by filing a request for an administrative hearing on a city-approved form with the Lodi Fire Chief's office within 30 calendar days from the issuance date of a citation. If the Fire Chief does not receive the request in the required time period, the citee shall have waived a right to a hearing and the citation shall be deemed confirmed and final.

B. No fees shall be charged for the filing of a request for a hearing.

C. Citees must deposit the full amount of the penalty listed on the citation on or before the request for a hearing is filed. Failure to deposit the full amount of all penalties within the required time period, or the tender of a non-negotiable check, shall render a request for an administrative hearing incomplete and untimely. Penalties that are deposited with the city shall not accrue interest. Penalties deposited shall be returned to the person who deposited them if the citation is overturned.

D. A request for a hearing shall contain the following:

- a. The citation number;
- b. The name, address, telephone number, and any facsimile numbers and e-mail addresses of each person contesting the citation;
- c. A statement of the reason(s) why a citation is being contested;
- d. The date and signature of the citee(s).

E. The city will notify all persons who file a request for a hearing in writing by First Class Mail of the date, time, and place set for the hearing at least 10 calendar days prior to the date of the hearing. Service of this notice is deemed complete at time of mailing. The failure of a citee to receive a properly addressed notice shall not invalidate the citation or any hearing, city action, or proceeding conducted pursuant to this chapter.

F. The hearing will be conducted within 60 calendar days of the date a timely and complete request is received by the Fire Chief's office.

G. If the CEO submits an additional written report concerning the citation to the city for consideration at the hearing, the CEO shall also serve a copy of such report by First Class Mail on the person requesting an administrative hearing no less than seven (7) calendar days prior to the date of the hearing. Failure to receive said report shall not invalidate the citation or any hearing, city action, or proceeding pursuant to this chapter.

9.13.200 Administrative Hearing—Procedures.

A. The hearing officer designated or appointed by the City Manager shall hear all requests for administrative hearings of administrative fines in accordance with the procedures established herein.

B. Administrative hearings are informal, and formal rules of evidence and discovery do not apply. Photographs of seized fireworks shall be admissible evidence of the violation. The city bears the burden of proof to establish a violation and responsibility therefore by a preponderance of evidence. The citation is prima facie evidence of the violation, however, and the CEO who issued the citation is not required to attend or participate at the hearing. The citee(s) and CEO, if present, shall have an opportunity to present evidence and witnesses and to cross-examine witnesses. A citee may bring an interpreter to the hearing provided there is no expense to the city therefore. The hearing officer may question any person who presents evidence or who testifies at any hearing.

C. A citee may appear at the hearing in person or by written declaration executed under penalty of perjury. Said declaration and any documents in support thereof shall be tendered to and received by the city at least seven (7) business days prior to the

hearing. If the citee fails to attend or does not submit a written declaration in a timely manner, he or she shall be deemed to have waived the right to a hearing. In such an instance, the hearing officer shall cancel the hearing and not render a decision. In such instances, the citation shall be deemed confirmed.

D. Hearings may be continued once at the request of a citee or the officer who issued the citation. The hearing officer may also continue the hearing for cause.

9.13.210 Hearing Decision—Right of Appeal.

A. After considering all the testimony and evidence submitted at the hearing, the hearing officer shall issue a written decision to uphold or overturn the citation and shall state the reasons therefore.

B. The hearing officer shall serve citee(s) by First Class Mail with a copy of the written decision. The date the decision is deposited with U.S. Postal Service shall constitute the date of its service. The failure of a citee to receive a properly addressed decision shall not invalidate any hearing, city action, or proceeding conducted pursuant to this chapter.

C. Decisions of the hearing officer may be appealed to the City Council within 30 calendar days after the date of their service. Each decision shall contain a statement advising the citee of this appeal right and the procedure for its exercise. A citee shall file a notice of appeal with the city within 20 calendar days after the date of service of the hearing officer's decision.

D. If a hearing officer's decision is not appealed in a timely manner, the decision shall be deemed confirmed.

E. The City Council is the sole reviewing authority and an appeal from a hearing officer's decision is not appealable to the Superior Court. If a responsible person prevails on appeal, the city shall reimburse his or her fine deposit within 30 calendar days of the City Council's decision on the appeal.

9.13.220 Financial Reporting.

On or before September 1 of any year authorized pursuant to a permit, the permittee shall submit to the City Clerk a financial statement by the treasurer or financial officer of the permittee setting forth the total gross receipts from the fireworks stand operated by the permittee; all expenses incurred and paid in connection with the purchase of fireworks and the sale thereof; and to whom and for what purpose the net proceeds were or will be disbursed, along with the most recent report filed by the permittee to the State Board of Equalization. The filing of such statement shall be a condition precedent to the granting of any subsequent permit under this chapter.

9.13.230 Provisions Supplementary.

The provisions of this chapter are supplementary to the provisions of the Fire Code of the City of Lodi. In case of a direct conflict between the provisions of the Fire Code of the City, and the provisions of this chapter, the provisions of this chapter shall prevail. Except with respect to such direct conflict, the provisions of the Fire Code of City of Lodi shall remain in full force and effect.

SECTION 3. Lodi Municipal Code Chapter 17.78 – Certificates of Occupancy – is hereby amended by adding Section 17.78.050, “Temporary Event Permits,” to read as follows:

WHEREAS, Temporary Events often require the installation of temporary structures, electrical power, mechanical power, and/or fuel that may if improperly installed may pose a health and safety risk to the public; and

WHEREAS, Temporary Events must meet accessibility requirements.

17.78.050. Temporary Event Permits

A. All temporary events shall apply for and receive a Temporary Event Permit from the Community Development Department before opening to the public. The Temporary Event Location shall be inspected by the City Manager’s designee for compliance with any applicable provisions of the Lodi Municipal Code, the Building Code, Electrical Code, Fire Code, and ADA accessibility requirements.

B. As used in this Ordinance, Temporary Events shall mean carnivals, fireworks stands, Christmas tree lots, tent sales, and other temporary uses that involve the temporary installation for electrical or mechanical power, fuels, and/or temporary structures.

C. A fee for the temporary event permit required by this Chapter shall be paid to the City of Lodi as established from time to time by Council resolution. Fees shall be paid prior to permit issuance. The Community Development Director or designee shall establish an application form for processing the applications required by this Chapter.

SECTION 4. No Mandatory Duty Of Care. This ordinance is not intended to and shall not be construed or given effect in a manner which imposes upon the City, or any officer or employee thereof, a mandatory duty of care towards persons or property within the City or outside of the City so as to provide a basis of civil liability for damages, except as otherwise imposed by law.

SECTION 5. Non-Severability. If any provision of this ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall invalidate the entire ordinance. To this end, the provisions of this ordinance are not severable. The City Council hereby declares that it would not have adopted this ordinance if any portion thereof is determined to be invalid.

SECTION 6. All ordinances and parts of ordinances in conflict herewith are repealed insofar as such conflict may exist.

SECTION 7. This ordinance shall be published one time in the “Lodi News Sentinel,” a daily newspaper of general circulation printed and published in the City of Lodi, and shall be in force and take effect 30 days from and after its passage and approval.

Approved this 20th day of April, 2011.
